Why are we completing another A.A. Membership Survey? Yes, we just did one in 2022. However, the trustees' PI Committee and the Conference Committee on PI have agreed that it would be useful for us to conduct a survey using a different method and then compare the results we get to the survey that was already completed.

In this version of the survey, all A.A. members are invited to participate (not just the ones from sampled groups).

So, please share [this link](#) with members in your Area, District, city, town or in your home group or meeting, and encourage any A.A. member who's interested to jump on and take the survey. It will only take them a few minutes.

Reminder: the survey closes at midnight Eastern Standard Time, Sunday November 26, 2023.

Thank you for your support!

Best,
